Small Business Classification Definitions:

Small Business (SB) - A Small Business that is independently owned and operated by an American citizen and which is not dominant in its field of operation. The size definition will vary from industry to industry and is based on the North American Industry Classification System (NAICS) codes either by number of employees or gross annual sales. The website for Size Standard and NAICS lookup is: https://eweb1.sba.gov/naics/dsp_naicssearch2.cfm

Small Disadvantaged Business (SDB) - An SB that is at least 51% owned and operated, or in the case of any publicly owned business, at least 51% of the stock of which is owned and operated by socially and economically disadvantaged individual or individuals. African Americans, Hispanic Americans, Asian Pacific Americans, Subcontinent Asian Americans, and Native Americans are presumed to qualify. Other individuals can qualify if they show a "preponderance of the evidence" that they are disadvantaged. All individuals must have a net worth of less than $750,000, excluding the equity of the business and primary residence. The website is: http://www.sba.gov/sdb/indexaboutsdb.html Must be certified as SDB by the Small Business Administration.

Women-owned Small Business - An SB that is at least 51% owned and operated by one or more women, or, in the case of any publicly owned business, at least 51% of the stock of which is owned by one or more women.

Historically Underutilized Business Zone Small Business (HUBZone) - An SB with its principal office located within a HUBZone, which includes lands on federally recognized Indian reservations; owned and controlled by one or more U.S. citizens and at least 35% of its employees must reside in a HUBZone. The website is: https://eweb1.sba.gov/hubzone/internet/ Must be certified as HUBZone by the Small Business Administration.

Veteran-owned Small Business (VOSB) - An SB that is at least 51% owned and operated by one or more veteran(s), or, in the case of any publicly owned business, at least 51% of the stock of which is owned by one or more veterans, who actively served in the U.S. military, naval, or air service and were honorably discharged. The website is: http://www.sba.gov/VETS/

Service-Disabled Veteran-owned Small Business - Same criteria as VOSB except the veteran has a disability that is service-connected.

NAICS Code: Provide your primary North American Industry Classification System (“NAICS”) codes, descriptions and size standard for the products or services that your company is providing. In addition, provide any other NAICS codes that you can be considered for doing business with Colorado State University. NAICS codes are needed for the Summary Subcontract Report breakout report that we are required to submit to the government annually pursuant to FAR 52.219-9(1)(2)(iii).
