

Independent Accountant's Report on Bond Compliance

Members of the Legislative Audit Committee:

We have audited the financial statements of the business-type activities and the discretely presented component unit of the Colorado State University System (the System), a component unit of the State of Colorado, as of and for the year ended June 30, 2011, which collectively comprise its basic financial statements and have issued our report thereon dated November 30, 2011, which contained a reference to the report of other accountants. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. We did not audit the financial statements of the Colorado State University Foundation, the discretely presented component unit, as described in our report on the System's financial statements. The financial statements of the Colorado State University Foundation, the discretely presented component unit, were not audited in accordance with *Government Auditing Standards*.

In connection with our audit, nothing came to our attention that caused us to believe that the System failed to comply with the terms, covenants, provisions, or conditions of the respective Authorizing Bond Resolutions and the Official Statements (collectively, bond resolutions) insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such compliance.

In accordance with the respective bond resolutions discussed above, revenue bonds' earnings requirement schedules (Schedules) are shown on pages 99-101. We have not audited the Schedules and express no opinion on them.

This report is intended solely for the information and use of the Legislative Audit Committee, the Office of the State Auditor, the Colorado University System Board of Governors, the Colorado State University Board of Governors' Audit Committee and the Colorado State University System's management, and is not intended to be and should not be used by anyone other than these specified parties.
