

"Here is the link to make reservations to redeem your Colorado State University (over 46% off posted rates) discount with WallyPark:

<https://corp.wallypark.com/colorado-state-university/colorado-state-university-den/>

*After you set your pick-up and drop off dates, click "Continue," then click on the "Do not have an account yet" link to create your reservation account. **Do not continue as a Guest.***

Please bring your reservation confirmation e-mail with you when you get to our lot. If you valet park, let the valet attendant know that you pre-paid online.

Note: you MUST reserve via the Colorado State University reservation page in order to get your CSU discount online for business OR personal travel. Also, you will not need to use your WallyClub card at the gates or cashier's booth if you make a reservation online. Finally, you get the lowest rates booking online versus driving up to our lot without a reservation. You also accrue loyalty points by booking online.

If you have any issues logging in or booking online, please contact Eric Stiever at estiever@wallypark.com or (720) 548-4914.
